

No Services repaired at the moment.
But I will certainly recommend your firm
to anyone I know that needs work done.
Couple of passing workers have taken
a photo of your board outside, so I hope
that may be work for you.

Your men couldn't have been more
helpful especially when I was having
difficulty getting out of my doors when
the trenches were being dug.

I am very pleased I saw your
Name when you sponsored a call
in the Gazette so I wrote down your
phone number.

I enclosed cheque as per invoice

Kind regards to the staff
involved.
