Subject: Delivery of chardstock

Hi Judy

A short email to say a big thank you to your delivery driver, who brought our Chardstock chippings at 7.50 am on Friday morning and dropped it onto the tarpaulin on our front drive so that very little actually spilled over on to our pattern concrete front drive.

He was extremely efficient and polite and is a credit to your firm.

You can also tell Kevin that he was right, we did have too many chippings to fill our trench so we needed to spread some of the chippings over other parts of the garden, but no problem there.

Once again a thank you to you and your colleagues at Sand and Stone for an extremely efficient job, very well done.

With kind regards
